## Clinical Psychologist – Independent Contractor

---

Have you ever considered working in a spacious and welcoming primary care clinic just outside Ottawa? A clinic that is located in a lovely community where you will be able use all of your clinical skills as part of a dynamic and supportive interdisciplinary team?

The Clarence Rockland Family Health Team, located on the river in a semi-rural community about 25 minutes east of Ottawa, is looking for a part-time clinical psychologist to join its group. Our spacious and welcoming clinic is filled with natural light and was custom built to meet the needs of a rural practice with 30 exam rooms and 2 procedure rooms. We have a strong focus on workflow and efficiency ensuring we operate as an integrated team where everyone works together to provide comprehensive, accessible and coordinated primary health care to the residents of Clarence-Rockland.

If you are an enthusiastic, energetic and motivated person looking to take on this challenge, please send your application **no later than March 10<sup>th</sup> 2023** to [hr2@crfht.ca](mailto:hr2@crfht.ca) or via fax at 613-446-5737.

---

### KEY RESPONSIBILITIES:

- Formal and informal evaluation of individual behaviour, functioning and mental health
- Conducting psychodiagnostic assessments
- Strong delivery of mental health interventions and diagnosis, as well as providing recommendations relating to treatment plans in an interdisciplinary setting
- Psychological interventions with individuals
- Providing psychoeducation on common difficulties (e.g., sleep hygiene) in a group-based format
- Counselling patients with a wide range of needs to address symptoms of depression, anxiety, grief, stress, social isolation and struggles with work/life balance

### REQUIREMENTS:

- Registered, or eligible for registration, with the College of Psychologists of Ontario.
- Authorized Area of Practice: Clinical Psychology
- Authorized Client Population: Adults
- Exceptional clinical skills and compassionate care
- Able to work both autonomously and collaboratively within an interdisciplinary team
- Superior social, interpersonal, communication and organizational skills
- Able to communicate fluently, verbally and in writing, in both French and English
- Proof of up-to-date vaccinations and/or proof of immunity. Required vaccinations include MMR (measles, mumps and rubella), tetanus, hepatitis B and COVID-19 (three doses)

### DESIRED QUALIFICATIONS:

- Authorized Area of Practice: Health Psychology
- Authorized Client Population: Older Adults
- Doctoral degree from a CPA-accredited program

### JOB TYPE:

- Independent Contractor
- 22.5 to 30 hours per week to be negotiated with the successful candidate
- 100% remote work possible if desired by candidate. The Mental Health Team currently operates on a hybrid schedule.
