

Clinical Psychologist

The Clarence-Rockland Family Health Team (CRFHT) is located in a state-of-the-art, fully computerized medical centre 30 minutes east of Ottawa. We are a true “team” where everybody – physicians, nurses and allied health care professionals – works together to provide comprehensive, accessible and coordinated primary health care to the residents of Clarence-Rockland.

We are looking for an enthusiastic, energetic and motivated person to fulfil a part-time clinical psychologist position within our dynamic and supportive interdisciplinary team.

If you are interested in taking on this challenge, please send us your application **no later than February 28 2020** to hr2@crfht.ca or via fax at 613-446-5737.

Roles and Responsibilities:

- Formal and informal evaluation of individual behaviour, functioning and mental health
- Conducting psychodiagnostic assessments
- Strong delivery of mental health counselling and diagnosis as well as providing recommendations relating to treatment plans in an interdisciplinary setting
- Psychological interventions with individuals;
- Providing psychoeducation on common difficulties (e.g. sleep hygiene) in a group-based format
- Management of psychological factors and problems associated with physical conditions and disease (e.g., diabetes, heart disease, stroke, chronic pain);
- Counselling patients with a wide range of needs to address symptoms of depression, anxiety, grief, stress, social isolation and struggles with work/life balance
- Providing clinical supervision to PhD students

Requirements:

- Registered, or eligible for registration, with the College of Psychologists of Ontario with declared areas of competency in Clinical Psychology; declared areas of competency in Health Psychology considered an asset
- Doctorate in Psychology from a CPA or APA accredited clinical psychology program
- Exceptional clinical skills and compassionate care
- Able to communicate fluently, verbally and in writing, in both French and English
- Able to work both autonomously and collaboratively within an interdisciplinary team
